

What is studying
in BRICS?
students

Meet Adele. She's
a student of BRICS
university.

Now she's
going to
uni to
meet her
friends and
to have classes.

4

Adele can choose how she wants to
study today!

Adele can ask classmates
for help and they can
do the same

Oh, language
barriers can be
tough!

No, I'll understand
and try to help
you

When she talks with
classmates she improves
her English skills...
And also other languages!

As tu parle
français?

Oui!

5

6

And she can learn about other cultures!

There is
a Great wall
in China

Wow! I wanna
visit

7

But still... The difference in cultures
is evident

Matryoshka

This is traditional
doll

No, it can't be.
It's horrible

8

And the main disadvantage that international
students miss their home

- Oh, my family, cooks such
delicious food, I miss
my family traditions

China

9

At Boris university we learn that differences
make us stronger, learn to respect and appreciate
each other's uniqueness!

We are friends
